LE FESTIVAL PHOTO MONTIER EN QUELQUES LIGNES :

MONTIER, MUCH MORE THAN A PHOTOGRAPHY FESTIVAL!

Every year, in November, Montier-en-Der (Haute-Marne department, Grand Est region, France) becomes THE CAPITAL CITY of wildlife, nature and environmental protection!

With more than 44 000 visitors in 4 days and more than 100 original and high quality exhibitions, Montier is one of the biggest and a unique exhibition in Europe for wildlife images. It is also a meeting point for photographers, naturalists, associations and professionals.

The 1000 m² Village is dedicated to sales and demonstrations of photo and optical equipement specific to nature photography. It's a good opportunity to discover new materials and skills.

With mor than 40 hours of conferences, a space for round tables and a 100 forums about naturalist and photo technics, the Festival promotes debates and discussions for all visitors concerning the major topics of the environment.

Educating the public about the environment and sustainable development hold a major focus for the 3000 pupils during the 4 days of this event.

During the festival, there is something for every tastes and all ages!

The 24th festival will take place on 18th to 21nd of November 2021!
